The following is a list of Soviet Oil Administration officials and employees who are members of commissions selected to supervise and inspect inventories now being made throughout SMV enterprises for the annual accounting 1 January 1950. This list appears to be of interest primarily because it includes names of prominent SMV personnel and gives their positions. It should be noted that transliteration of Russian names has been made according to the form prescribed by the Joint Chiefs of Staff from a copy of an original document typewritten in cyrillics.
